

## Level of Care Service Fees

Residents in the Lillian Pratt Building are assessed according to their appropriate Level of Care (LOC). Charges are calculated on an increasing scale where residents are assessed monthly to monitor the changes in Level of Care. Charges are based on personnel needed and the amount of time involved in providing assistance to a resident. Level of care charges are added to a resident's standard monthly room and board fee. Our nursing staff determines the initial level of care for each resident, and the level may increase or decrease after the resident settles in and begins a routine.

Level	Points	Monthly Fee
Level I	0—4	\$285
Level II	5—14	\$700
Level III	15—29	\$1,245
Level IV	30—45	\$1,665
Level V	46—75	\$2,280
Level VI	76—greater	\$3,595
