

## Franke Tobey Jones

In 1924, Mrs. Franke Tobey Jones endowed the concept of “providing a dignified home for aging persons of modest means.” By gifting land and funds to build Franke Tobey Jones, Mrs. Jones began what has come to be known as one the best *non-profit* Continuing Care Retirement Communities in the country. Additional gifts have made it possible to remain true to these principles throughout the decades.

We invite you to help support the ideals of our founder and our current mission to enrich and extend the quality of life for seniors in our community by making a contribution. All gifts are used for the direct benefit of the seniors we serve today and in the future. Your gift is an opportunity to make a difference!
