2011 Resident Ambassador Program

We are excited about our wonderful Resident Ambassadors. Our goal is to help make your move-in as stress-free as possible, and for you to feel “right at home” very quickly. To help achieve this, the Resident Ambassadors help welcome all new Residents. The Resident Ambassadors call and meet new residents and are the new resident’s connection for the first 2 or 3 days. They answer questions or concerns and just make you feel totally welcomed and embraced. Each Resident Ambassador has business cards that they will give you for easy access, and they each have a name tag so you can spot them easily. Our Resident Ambassadors are very enthusiastic about living at Franke Tobey Jones, and they have every reason to be!
