

FRANKE TOBEY JONES

Meet Resident Mary Damonte

Mary Damonte is one of our fabulous Garden Apartment Resident Ambassadors. She absolutely loves living at Franke Tobey Jones. “I moved here when I was 74. My kids said, ‘Mom, you’re not ready yet!!’ You have NO IDEA the security, peace and relaxation I felt from my very first day here. It’s just an incredible place to be independent yet with security and answers to questions as you’re aging. Every effort is made to keep you independent as long as possible. If you need more care, it’s available right here, and the transition is gentle, tactful and handled with so much grace. Families are supported by Franke Tobey Jones’ staff so beautifully. My kids never have to worry about me— it gives my whole family and me the best peace of mind that I could possibly imagine. Franke Tobey Jones is incredible!”
