# Resident Ambassador Program

We are pleased to tell you about our Resident Ambassador Program. The purpose of this program:

- ◆ The Resident Ambassadors help welcome new Residents. We want to make your move-in as stress-free as possible, and we want you to feel “right at home” very quickly. The Resident Ambassadors call and meet new residents and are the new resident’s connection for the first 2 or 3 days. They answer questions or concerns and just make you feel totally welcomed and embraced. Each Resident Ambassador has business cards that they will give you for easy access, and they each have a name tag so you can spot them easily.
- ◆ Resident Ambassadors also help meet and greet visitors at community events. Our Resident Ambassadors are very enthusiastic about living at Franke Tobey Jones!
