CEO Report

*Mark Gustafson,
President & CEO*

In 1924, our founder laid the cornerstone of the Tobey Jones building, thus realizing her vision of comfortable housing for local seniors. Over 90+ years, we have expanded and developed to best serve our residents and other seniors in the greater community. In honor of Mrs. Jones' original intent, we are proud and excited to announce the next expansion and development of our beautiful campus.

Our plan is for three distinct phases. When complete, we will be home to over 280 seniors.

Phase I – a new modern, intimate skilled nursing and memory care building and a new 16 apartment independent living building with underground parking.

Phase II – a well-appointed apartment building where residents may “age in place,” receiving assistance when needed or none at all. Amenities will include an expanded fitness center, bistro/lounge and business center.

Phase III – a “refresh” of our Lillian Pratt, Tobey Jones and Garden Apartment buildings.

As a mission-driven, not-for-profit organization that was founded through philanthropy, a capital campaign will be launched to help offset a portion of the project's expenses.

After many years of planning, exploring the needs and desires of current and future seniors, we are truly excited to once again build on the legacy of a wonderful woman, Franke Tobey Jones.

Donor Spotlight

Donor and Volunteer Appreciation Party

On April 6th, in part to celebrate National Volunteer Month, Franke Tobey Jones hosted our annual Donor and Volunteer Appreciation Party. Donors and volunteers were thanked for their generous gifts of time and financial resources to support seniors living at Franke Tobey Jones and in our local community.

2016 Volunteer Awardees

Among the volunteers thanked were three residents whose volunteerism earned them the Millie Highsmith Outstanding Volunteer Award: Carol Bruda, Pat Mail and Yvonne Zubalik. Six community volunteers received awards for their outstanding work with residents: Jennifer Chhay, Dalane DeWitt, John Leary, Joann Merrill, Akira Ogle, and Diane Stigen. Seven residents who tutor at nearby Point Defiance Elementary School were thanked as well as ten residents who volunteer in our campus store, the Rez.

2015 Senior Center Report

By Kate Quebe
Senior Center Director

In 2015 your Senior Center had a banner year. We welcomed over 2,600 participants, up five percent from 2014. Program participation rose from about 28,000 in 2014 to over 31,000, a 10% increase. In March 2015 we hit a milestone of 3162 participants in one month—the most ever for one month. I'm truly excited about this! With the many activities of the Center, we count heavily on our wonderful volunteers to help, not only in the kitchen, but to answer phones, teach classes, manage databases, and much more. Thank you to the many whose hearts have led them to the Center to serve. Your efforts reached an all-time high in service hours: 12,782.

The Senior Center offers many opportunities for participation. We strive for a diverse and innovative program that caters to each individual who walks through the door. If you have never been to the Center, I encourage you to stop by!

Mission Impact

Year after year, the generous investments made by our financial supporters allow us to fully uphold our mission to enrich and extend the quality of life for seniors in our community. Thank you, thank you, thank you!

In addition, generous volunteers help us carry out our work each day through their precious gifts of time. In 2015, volunteer service added up to almost 19,000 hours.

Philanthropic support of our on-campus charitable programs totaled \$190,997 and an additional \$86,109 was contributed to off-set our community outreach programs. These investments made the following possible in 2015:

Employee Scholarships: Nine team members received scholarships in 2015 to pursue further education.

Charitable Subsidy: In 2015, we confidentially distributed \$234,000 in subsidy to FTJ residents in financial need. Subsidy allows our residents to remain in their home at Franke Tobey Jones, among friends and familiar caregivers, during a usually challenging time of health crisis. Some people have been forced to leave retirement communities (where they had planned to finish their lives), because they have run out of resources. This is largely a result of unanticipated health care costs and people living longer than expected - despite assiduously saving for retirement. Such a difficult reality exacts a toll, not only on the individual needing care at the frailest time of his or her life, but also on families and friends. Franke Tobey Jones never wants to deny care to a resident because he or she is unable to pay. Therefore, continuing to build the Charitable Subsidy Endowment is a focus of our organization and, ultimately, a benefit to seniors in our local community, who we have been serving since 1924.

Kristine, FTJ Therapeutic Activities Assistant, earned her degree in Psychology through help from the FTJ Employee Scholarship Fund.

Health Care

Activities increased to 13 per day for our residents living in health care. Supplementary philanthropic funds allow us to enhance the programming we offer to our health care residents who may flourish through social engagement and activity. Studies have shown that when people are socially engaged, and receive nutritious meals and exercise, they will have better overall health. We believe our life enrichment programming contributes to the overall health of our seniors, enabling them to remain active members of our community for a longer period of time and have an overall higher quality of life.

In Appreciation of services

Mission Impact

Where Need is Greatest

Twelve projects were funded to enhance the FTJ community, including resident gardens and decorative flowers, Resident Art Gallery supplies and resident cultural and educational programs.

Photo: Resident Barbara and local preschooler Samantha enjoy the Resident Art Gallery.

Wellness Program

Wellness members participated in 1,820 classes to stay fit and healthy. Studies indicate that older adults who are active and socially engaged maintain their independence, improve physical and mental functioning, stay healthier and live happier more complete lives. Based upon these ideas, Franke Tobey Jones offers a multi-faceted Wellness Program that improves quality of life, free to residents and at low-cost to any community senior 55+, thanks to philanthropic gifts.

Senior University

We offered 340 programs and welcomed 450 participants engaging in lifelong learning in 2015. "I'm still trying to figure out what I want to be when I grow up, and Senior University offers me many possibilities to explore." *Photo: Mary Brown, on left with husband Freeman on right.*

Point-Defiance~Ruston Senior Center

Gordon Kuni and Jim Hansen at the Center.

The Center welcomed 700 people per month for programs and activities as well as for nutritious meals. It continues to be home-away-from-home for over 2,500 seniors each year. Read more about our expanding Senior Center programming on page 8.

Without our generous donors, the mission impact described above would not be possible. In 2016, we will continue to put your dollars to work in a meaningful way each and every day. Thank you for your ongoing investment in our employees, residents and seniors in the greater community! Together we WILL make a difference.

2015 Financial Statement

Thank You

We gratefully acknowledge the generosity of donors who gave gifts to Franke Tobey Jones and our Point Defiance~Ruston Senior Center in 2015.
