Gratuities

The ship's crew works hard during your visit to provide you the best cruise possible. To ensure that the efforts of the crew are recognized, a daily Hotel Service Charge is automatically added to each guest's shipboard account. At the time of this writing, the fee is \$14.50 per guest per day, but they are subject to change. If you want to change this amount, you are free to adjust it at the end of each segment and/or voyage. This fee is subject to change so for more updated and comprehensive information, please visit https://www.hollandamerica.com/en_US/faq.shipboard-life.is-there-a-hotel-service-charge-gratuity-tip.html.

Climate

The weather in various areas of Alaska is fairly steady, not varying more than 10° F during the cruise season. The following are examples from several of the port cities.

| | Juneau | Sitka | Ketchikan |
|-----|----------|----------|-----------|
| May | 57/41° F | 53/42° F | 56/41° F |

The best plan is a sure plan. Wear layers of clothing that will work for colder climes and that you can take off as the day warms up.

Who Can Go?

You do not have to be a participant of the Senior Center to cruise with us. Make this a family vacation! Some age restrictions may apply. See Holland America's website for more information.
