Meet Residents

John Reid &

John and Barbara started dating while attending high school in Aberdeen and attended the University of Washington together. Before graduating, John

left for service in the Navy, and after graduation Barbara took a teaching position in the San Francisco area and they lost touch.

Fast-forward 62 years both John and Barbara had lost their spouses. John lived in San Diego and Barbara had moved back to Aberdeen. While John was having dinner with a mutual friend he asked about Barbara and found out she had returned to Aberdeen and was widowed. He immediately sent her a message and she replied. That was the beginning of lost love found and their Happily Ever After!

John and Barbara met during one of John's annual visits from San Diego to a family cabin on Vashon Island. Two months later things became serious, and before long they knew they wanted a life together. They agreed a retirement community might be perfect. Barbara knew about FTJ, its reputation and the proximity to Vashon Island and Seattle. Both were impressed and after researching other retirement communities in CA and WA, they chose FTJ.

Back to the beginning: following his Navy service, John re-enrolled at UW and worked as a student assistant in the University's Athletics' Department. Upon graduation, he was hired full-time and was eventually named Sports Information Director. After nine years with the Huskies, he became the Public Relations Director for the Houston Rockets, an NBA team. John next was selected to become the first Executive Director of the fledgling Fiesta Bowl in Phoenix where he worked for eight years before being recruited as the Executive Director of the Holiday Bowl in San Diego.

Barbara was a Liberal Arts major with a special interest in European history. She began her professional career as an intermediate teacher in

John and Barbara (cont)...

San Leandro, California. After seven years of teaching, she left to become a full-time mother. When her son and daughter were older, Barbara changed careers to real estate marketing, which led to an asset management position in mortgage banking. In 1989, Barbara returned to Aberdeen to become the managing broker of a local real estate firm. She had retired by the time John contacted her.

One of the things John and Barbara like so much at Franke Tobey Jones is their duplex independence, and the friendly duplex community. They are a fun-loving couple who enjoy life to the fullest. We warmly welcome them to our Franke Tobey Jones family!
