In Bob's words "Brother Don and I are eternally grateful to Franke Tobey Jones the institution, and to the incredibly talented and caring staff. Every single interaction we had with FTJ staff was positive—day or night, weekday or weekend, and holidays too."

Bob honors his mother with a donation each year on her birthday and in

2018, made a very generous donation for the new Care Center in her memory. Bob foresees living at Franke Tobey Jones someday and enjoying walks to visit one of its closest neighbors – Point Defiance Park.

The Mission of Franke Tobey Jones:

To enrich and extend the quality of life for seniors in our community. As a not-for-profit organization, we provide senior residential services, a supportive continuum of care, and innovative community outreach.

CEO and COO Announced at Franke Tobey Jones

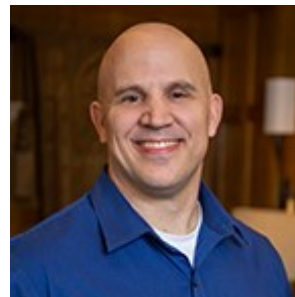

Ushering in a new chapter with a historic past

The Chairman of the Franke Tobey Jones Board, Jeff Watts, recently announced that FTJ has found their new CEO and she is already on the job! Judy Dunn, who has been in the Interim CEO role for the past year, has been chosen as the new CEO. "The Board unanimously and enthusiastically selected Judy given her long history of excellent leadership and financial expertise in serving the Franke Tobey Jones community," says Watts.

With more than 25 years of accounting and not-for-profit management experience, Judy is a great asset to Franke Tobey Jones. In addition to Accounting and Administration, Judy manages the Information Technology and Support Services functions. She has excellent management skills and has been invaluable in making sure Franke Tobey Jones remains a fiscally responsible organization.

Also announced was the decision to make the COO role permanent and to keep Bob Beckham in this role, a role he has served in since last fall. Bob has over 15 years of experience in operations management and leadership. He was the Vice President of Operations for Sound Options, Inc. for six years before coming the FTJ. Sound Options provides in-home care and care management services to seniors and other vulnerable adults in the community.

Robert "Bob" Ball

Robert "Bob" Ball is a very grateful family member. His mother, Elsie Shedd, lived at Franke Tobey Jones for three years, to the very day, February 7, 2012 to February 7, 2015. She was not only their mother; she was a precious gift to them.

Bob grew up in Westgate, a free-range child. It was a magical time. Children took their sack lunches and headed down Pearl Street to Point Defiance Park without fear. So many fun memories were made there. Bob's mother grew up near Franke Tobey Jones on Bristol Street, and his father, a musician, at one time lived on Salmon Beach.

After college, Bob worked in Human Resources for the U.S. Government for 25 years. He returned to college and to become a Chemical Dependency professional. His last job was seasonal at Pier 66 assisting people at the cruise terminal from the curb to ship, every step of the way. He was the "King of the Bus Lot" and loved every minute of it. Working in the cruise industry was the most fun and satisfying job ever. *Continued on back page—*

Wellness

Prepare for Fall

As Fall rolls around, the fitness community turns its attention toward “fall” prevention, and with good reason. According to the Center of Disease Control and Prevention, falls are the number one cause of injuries and death from injuries among older adults. Our Wellness Center provides a number of classes and personal training options to help build strength and stability, and improve balance and coordination to help prevent falls.

Senior U

Treat Yourself during the Holidays

Preparing for the holidays can mean creating menus for feasts, shopping for the perfect gift, or just notching out more time to spend with the ones whom you love. At Senior University, it means creating a space to learn something new or just get away from the bustle for a while. And just think of all you will have to talk about this Holiday Season when you’ve attended a lecture on *Romeo and Juliet*, taken a class on salt painting, or attended a drumming workshop!

Senior Center

Holidays at the Senior Center

We kick off the holidays on October 11th with a Halloween Party featuring ghosts, goblins, Mark Stern, special refreshments, and lunch. October classes include Halloween cards and creating glass blocks with fairy lights. On November 21st our Thanksgiving Party will feature the Memory Singers with a special Thanksgiving meal following. Gifts in a Jar is November 1st, Sock Snowmen is November 8th, and Bisque Ornaments on the 22nd. Our beloved Holiday Party is December 12th and features Lynn Vrooman on piano followed by a special holiday meal. Our Tree Trimming party is December 2nd, “Swaggin” with Candy and Dennis is the 13th, and vocals and music by Chris, Jane, and Trudy on December 20th. Join us for a very special holiday season!

Welcome Shelley Harris, Director of Philanthropy

Shelley was born in Tacoma, Washington, and has over eighteen years of experience in fundraising.

She was the Director of Special Events and Major Gifts at CHI Franciscan, and prior to that raised money for several performing arts and music organizations in the community. Shelley spent 2017 and 2018 in London, working for the UK's leading cancer charity for children, young people and their families. While she served as Stewardship and Philanthropy Events Team Manager, she worked with international committees and donors, and had the opportunity to learn and implement new EEU charity laws and regulations in her department.

Shelley attended Pepperdine University and the University of Washington and has two daughters. She enjoys travelling and most everything outdoors in the beautiful Northwest.

Shelley would love to meet you and listen to your thoughts and ideas about philanthropy at Franke Tobey Jones. Please give her a call at (253) 756-6297 if you would like to schedule an appointment to chat, or come by for a cup of tea!

Franke-ly Meaningful

“What is meaningful about Franke Tobey Jones? The appearance? Location? Staff? History? Senior University? Wellness activities? The glue that knits all these things together is the PEOPLE. Diverse, sharing, mutually supportive, accepting, and caring (that goes for staff too). Franke Tobey Jones is its people, and I wouldn’t want to be anywhere else.”
