## Braxton and Emily Butler

Braxton was born in Missouri and grew up in Texas. After graduating from high school he entered military service which resulted in numerous posts overseas. He was

fortunate enough to be in Berlin both when the wall went up and when it came down. He has a large piece of the wall mounted in their home. In 1983, he retired after fifty years in the army and retired at Ft Lewis, WA.

Emily was born in Ohio, and at age 5 the family moved to California. Graduating from high school and college in OR, she taught school in OR, CA and HI. Deciding she wanted to change careers, she became a Recreation Servicer worker with the American Red Cross working in military hospitals in Viet Nam, Japan, CO, AZ, CA and AL. Four years in Korea with the 9<sup>th</sup> infantry division as a Service to Armed Forces supervisor permitted her to travel extensively, visiting Malaysia, Singapore, New Zealand and Australia. After Korea came three years in Germany including a trip to Russia and then two years in CO. Her final assignment was Red Cross manager with the Navy in Italy.

After his army retirement, Braxton was a civil service employee for 20 years providing logistics to the Army Patriot Missile system in Riyadh, Saudi Arabia and become engaged to Emily while she was in Naples. After six months they both returned to AL and were married, then returned to their respective duty stations for six months. A ten-day cruise down Nile River in Egypt helped pass the time. Picking up Emily in Naples they flew to England for a transatlantic voyage of seven days on the Cunard QE2. Emily finished her thirty-one years' service with the Red Cross while on board. Returning to AL, they purchased a home and Braxton retired in 2001. Their leisure activities involved around church, Huntsville Disaster Services, and as volunteers in the Redstone Arsenal pharmacy serving both active military and retirees. They also toured the Baltic states, Istanbul, Israel, the Mediterranean, Argentina, Chile and cruised in the Antarctic sound.

In 2021, Emily and Braxton moved into FTJ's lovely Garden Apartments and have thoroughly enjoyed the many amenities and fellowship provided by FTJ, and have enjoyed living closer to their daughters, grandchildren and great grands.
