Literary League Book Club—*Before the Fall**

About the book: On a foggy summer night, eleven people—ten privileged, one down-on-his-luck painter—depart Martha's Vineyard on a private jet headed for New York. Sixteen minutes later, the unthinkable happens: the plane plunges into the ocean. The only survivors are Scott Burroughs—the painter—and a four-year-old boy, who is now the last remaining member of an immensely wealthy and powerful media mogul's family. With chapters weaving between the aftermath of the crash and the backstories of the passengers and crew members, the mystery surrounding the tragedy heightens. As the passengers' intrigues unravel, odd coincidences point to a conspiracy. Events soon threaten to spiral out of control in an escalating storm of media outrage and accusations. And while Scott struggles to cope with fame that borders on notoriety, the authorities scramble to salvage the truth from the wreckage.
