Enjoy your age

Franke Tobey Jones Holiday Cards

FTJ Holiday cards will, once again, be available this season starting mid-November. See more details in Tobey Topics and in your mailbox in the next couple of weeks.

Christmas Decoration

Due to short staffing and the training of several new staff members in the Life Enrichment department, we will begin decorating for Christmas the week of November 13th. Christmas trees will begin to go up around November 15th and holiday décor will begin either the week of the 20th or 27th.

This year we need to begin early so that there is enough time for the Life Enrichment staff to get décor out while juggling staffing and training needs. In the past we have not begun to decorate for Christmas until after Thanksgiving and understand that many of our residents prefer to not have Christmas décor until after Thanksgiving. We appreciate your patience and understanding as we decorate earlier than usual for the Holiday Season this year.

Changes to Click! Cable TV Services

This letter is to inform you of an immediate change to our services.

The Video on Demand (VoD) service operates on an aged hardware platform that has been discontinued by the manufacturer with no upgrade options. Regretfully, that platform has had a failure which we are unable to repair, and it is likely we will have to discontinue the VoD service in the next few days with no further notice.

Please note that we were anticipating such a scenario given the age of the system and already sent communications to you regarding the end of the VoD service scheduled in December, 2023. You can expect to receive that notification by mail early next week. Now, with this hardware failure, we may have no option but to accelerate the shutdown of the service as noted above.

We understand that VoD may have been a convenient feature for you, and we want to assure you that this decision was not made lightly. While VOD will no longer be available, your cable TV experience remains uninterrupted. You will continue to have access to your current channel lineup, including your favorite shows, movies, and live programming.

If you have any questions or concerns regarding this change, our team is here to assist you. Please don't hesitate to reach out to our customer care department at 253.683.4100. We value your feedback and are here to address any questions you may have. We want to extend our gratitude for your loyalty and support as a subscriber to the Click! Cable TV service. We look forward to continuing to provide you with the best possible television experience, and we appreciate your understanding as we make these necessary adjustments.

Thank you for choosing Lightcurve, formerly Rainier Connect
