Be Careful Out There!

Watch your step as the walks and parking lots can be slippery during the winter season.

Covid Update

Good afternoon and Happy 2024!

It has been quite a while since a COVID update has been sent out but unfortunately, we do have information to share regarding COVID outbreaks at Franke Tobey Jones.

In assisted living, there is currently one resident and one staff member who have tested positive for COVID. The staff member has fully recovered and returned to work. At this time, dining and group activities are continuing as normally scheduled. Masks are required for all visitors, staff and residents as tolerated. We will continue to test and monitor this outbreak and communicate any changes as soon as possible.

In skilled nursing, there is currently one resident and two staff who have tested positive for COVID. Group dining and group activities are postponed until further notice. Masks are required for all visitors, staff and residents as tolerated. We will continue to test and monitor this outbreak and communicate any changes as soon as possible.

There are no active cases of COVID in memory care or memory care north, so there are no changes for those areas.

If you have any questions, please do not hesitate to reach out via email to me (jdunn@franketobeyjones.com) or Bob Beckham (bbeckham@franketobeyjones.com) or by phone at 253-752-6621.

Thank you,

Judy Dunn, President and CEO
