Literary League Book Club— *Of Women and Salt**

Join us as we discuss *Of Women and Salt* by Gabriela Garcia.

About the book: In present-day Miami, Jeanette is battling addiction. Daughter of Carmen, a Cuban immigrant, she is determined to learn more about her family history from her reticent mother and makes the snap decision to take in the daughter of a neighbor detained by ICE. Carmen, still wrestling with the trauma of displacement, must process her difficult relationship with her own mother while trying to raise a wayward Jeanette. Steadfast in her quest for understanding, Jeanette travels to Cuba to see her grandmother and reckon with secrets from the past destined to erupt. From nineteenth-century cigar factories to present-day detention centers, from Cuba to Mexico, *Of Women and Salt* is a kaleidoscopic portrait of betrayals that have shaped the lives of these extraordinary women.
