Grief Support Group

Wednesday, July 2nd at 1pm - Garden Apartments 2nd Floor Lounge

The first Wednesday of every month at 1pm, Adelia Nunn hosts a grief support group. This group creates a space for residents to share their experiences of grief. The group is not religiously affiliated. All residents are welcome to attend, whether you are grieving a new loss or wanting connection after years of grief. You do not need to attend every month.

Mystery Day Trip

Wednesday, July 9 Bus departs at 9:30 am and returns around 3pm. Cost: \$5 guided garden tour, Meal, anything you purchase

Where are we going? It’s a mystery! But we promise fun and interesting things to see and explore. As part of our trip we will take a docent guided tour of a botanical heritage garden. If you don’t want to walk the garden you can explore the exhibits in the visitor center. Lunch is at a restaurant known for delicious Pacific Northwest food. After lunch we will explore a museum dedicated to the regional heritage of the area, from the First People to the European settlers who came later. Before returning to FTJ a short stop will be made at a gourmet chocolate factory. The walking required for this trip will be a combination of pavement, gravel pathways and some grass if you choose. The minimum amount of walking to participate in the outing will be around 300 feet and the maximum, if you do the garden tour, can be up to half a mile. Indulge your sense of fun and adventure and join us on this mystery trip. **This trip is capped at 15 people.**
