Janel Habenicht— Sales Assistant

Born and raised in Washington State, primarily in beautiful Pierce County, Janel has always had a deep appreciation for community, connection and the sense of belonging that comes from calling a place home. Her life journey, however, has also taken her far beyond the Pacific Northwest. She's had the unique opportunity to live abroad in the Philippines, Costa Rica and Mexico, as well as in several U.S. states including Florida and Hawaii. Each move gave her a broader perspective on people, cultures and what makes a community thrive.

Now back in the Pacific Northwest to be closer to family, Janel is happy to once again be surrounded by the familiar beauty of the Puget Sound and the mountains she's always loved. She enjoys spending quality time with her two sons, cooking delicious meals and exploring new recipes—often blending flavors and ideas inspired by her travels.

Janel joined Franke Tobey Jones in October 2025 as a Sales Assistant and quickly found her place within the vibrant, welcoming community. She truly enjoys building relationships with residents, families and team members, and takes pride in helping others feel comfortable, supported and at home. For Janel, every day at FTJ is another opportunity to connect, make a difference, and share her genuine warmth with those around her.
